In the West, the low/medium heat nonfat dry milk (NDM) prices again moved lower at both ends of the range and mostly price series. Domestic demand is steady. Export demand is mixed. Some sellers note buyers in Mexico are active, while others indicate they are not. Production schedules vary from steady to somewhat lighter. Manufacturers report spot load inventories remain tight. High heat NDM prices decreased as well. For some manufacturers, production schedules are busier. Demand is mixed.
