Inspection Services Fees and Charges

Effective Date

December 17, 2025. Federal Grain Inspection Service (FGIS) must approve all fees for official services and official agencies will assess only those fees appearing on their current approved fee schedules.

Regular Hours

Lincoln, NE office - Monday through Friday from 7:00 am to 3:00 pm. All hourly rates will be assessed in half-hour increments, per individual necessary to perform service. The regular hourly rate will be charged at **\$33.00** per hour per individual. Lincoln Inspection Service (LIS) reserves the right to determine the number of inspection personnel to properly service the customer.

Overtime Hourly Rate

One and one-half times regular hourly rate. This applies to services performed during any hour other than regular hours, Sunday or Holiday hours as defined. Minimum of 4 hours per person is assessed for Saturday, Sunday, Holidays and hours outside regular hours if not directly preceding or following working hours.

Double time Hourly Rate

Sunday: 12:00a.m. – 7:00a.m. Monday, Holidays 12:00a.m. – 7:00a.m. the following morning. All days of a 3-day weekend in conjunction with a holiday will be considered holiday overtime.

Holidays include: New Year's Day, President's Day, Good Friday, Memorial Day, Juneteenth, July 4th, Labor Day, Columbus Day, Thanksgiving Day and Friday after, Christmas Eve and Christmas Day. If a Holiday falls on a Saturday, LIS will observe it on Friday. If a Holiday falls on a Sunday, LIS will observe it on Monday.

Call-Out Rate

Minimum Hourly Call-out Rates: Minimum 2 hours per person at applicable hourly rate will apply.

Cancellation Charges

If a start time is established and an elevator reschedules/cancels prior to the start time, a 4-hour per person per day reschedule/cancellation charge will be assessed at the appropriate hourly rate.

Stand-by Time Charges

"Stand-by" means idle time spent at the customers facility due to customer-caused delays. Stand-by time will be charged at the applicable hourly rate.

On-Call Time

On-Call charges will occur when an applicant requests personnel to be available outside of regular business hours. Personnel are off-site waiting to report for duty. The elevator must establish a start time for LIS personnel to be available for work. The elevator personnel will contact LIS personnel before starting time to report on loading status. If the elevator is not ready, an on-call charge of two hours per person will be assessed at the applicable rate. No more than two on-call charges per person per day will be assessed.

Mileage

The IRS standard mileage rate will be assessed per mile, per vehicle of actual miles traveled. Any change to the mileage rate is effective when the IRS changes their standard mileage rate. Mileage and travel time will be prorated when it is possible.

Official Inspection Services

Sampling, mileage, and delivery charges are in addition to unit fees listed. Stand-by, on-call, cancellation and travel hours will be assessed at applicable hourly rates. All requests for service will be honored as soon as possible on a first call-first service basis. All requests for service shall be ordered by 2:00p.m. CT the preceding business day or by 12:00p.m. CT the preceding Friday for weekend services or day preceding a Holiday to ensure adequate staffing. There will be a four (4) hour charge for requests received after 3:00p.m. CT at the applicable rate. For same day lab and certification, requests must be received by 10:00a.m. Mon - Fri to allow for adequate staffing and scheduling, by 12:00p.m. CT on Fridays for weekend services or day proceeding a Holiday to ensure adequate staffing and scheduling.

ON-SITE Sampling and/ or Inspection

On-site inspection and grading services are available at locations with fully furnished and equipped labs that include adequate dust ventilation. (See USDA FGIS directive 9160.5). Lincoln Inspection Service reserves the right to determine the number and type of inspection personnel needed to properly serve its customers. However, service requests are subject to the availability of official staff and will be honored on a first call-first served basis. Official samples will be collected by a sampler if inspection staff are not available to grade as requested, and the samples will be transferred back to the LIS office for inspection. When applicable meal per diem of \$15.00 per person per meal for eight hours will be charged. If an overnight stay applies, actual lodging expenses will be charged to the facility.

***SHUTTLE LOADING - EXTENDED LOAD TIME FEE**

A fee for extended loading time (a guarantee to load 6 railcars per hour on average per total loading time). In the event fewer than 6 cars are loaded per hour, the Extended Load Time Fee will be assessed per unit and billed at the current, appropriate Official Lot Sampling and Inspection rate.

***SINGLES LOADING - EXTENDED LOAD TIME FEE**

A fee for extended loading time (a guarantee to load 4 railcars per hour on average per total loading time). In the event fewer than 4 cars are loaded per hour, the Extended Load Time Fee will be assessed per unit and billed at the current, appropriate Official Lot Sampling and Inspection rate.

Official Commercial Inspections

Official Commercial Inspections are offered and will be negotiated on a case-by-case basis from our officially approved fee schedule.

Administration Fees

Administrative fees for changing original certificates after completion, paperwork, research, additional invoicing will be charged in half hour increments at appropriate hourly rate.

FGIS Administrative Tonnage Fees

In addition to all other applicable fees, FGIS administrative tonnage fees for export grain shipments inspected and/or weighed, excluding land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 1. Invoices will identify assessed administrative tonnage fees as separate line items per applicable carrier/unit type.

FGIS Supervision Fees

In addition to all other applicable fees, FGIS supervision fees for domestic U.S. grain shipments inspected and/or weighed, including land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 2. Invoices will identify assessed supervision fees as separate line items per applicable carrier/unit type.

Weather Policy

Lincoln Inspection Service will adhere to the following inclement weather policy

If any of the following conditions occur, sampling, stowage examination, or on-site inspection may be delayed or dismissed: In addition to high winds, rain that creates dangerous conditions for employees and/or the grain being sampled, lightning, snow, and/or ice, any other weather-related and/or facility-specific conditions that could threaten the safety of our employees providing sampling, storage, and inspection services. When on-site services are requested after sunset, adequate lighting must be provided.

Personal Safety Policy

Customers who request stowage or sampling service from the top of railcars are responsible for making the grain or stowage area accessible. Employees of grain inspection do not open and close doors or lids. Furthermore, two employees must be present during stowage or sampling service, one employee of ours and one employee of the elevator. A member of the elevator staff must be capable of rendering aid if necessary.

Customer Conduct Policy

Lincoln Inspection Service promotes a safe and equitable working environment. Therefore, LIS reserves the right to refuse on-site inspection/sampling services if elevator staff behave in a violent, threatening, harassing, intimidating, disruptive, unprofessional, discriminatory, or retaliatory manner.
