Section 306(a) of the Packers and Stockyards Act, 1921, as amended and supplemented (7 U.S.C. § 207(a)) requires that schedules showing all rates and charges for stockyard services be kept open to public inspection at the stockyard.

Section 306(f) of the Act provides that after a schedule of charges has been filed, a stockyard owner or market agency may not charge, demand or collect a greater or less or different compensation for such services than the rates and charges specified in the schedule. Sections 306(g) and (h) of the Act specify severe penalties for failure to comply with these provisions.

Section 306 and the Packers and Stockyards Act, as amended and supplemented (7 U.S.C. §§ 181-229) and regulations (9 CFR §§ 201.1-201.218) enacted thereunder are available on the Internet at www.ams.usda.gov, or, at your request, we will provide you with copies.
