

Calibration Update

May 1, 2026

Explanatory Notes for May 1, 2026 Official Moisture Calibration Updates

Small changes in “loading factors” were made to optimize agreement between UGMA-Compatible units and the UGMA Master system.

Refer to UGMA-Performance_May2026.pdf for the performance of the UGMA Master system to the Air Oven reference method for all grain groups prior to the 2026 harvest.

For grain groups with calibration updates, the following pages show the moisture changes resulting from applying the new loading factors to the 2024 crop data.

1. Official moisture calibration changes effective May 1, 2026 2

2. Effects of GAC2500-UGMA Calibration Changes (New minus Old) 2

3. Effects of AM5200-A Calibration Changes (New minus Old) 4

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the State or local Agency that administers the program or contact USDA through the Telecommunications Relay Service at 711 (voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Mail Stop 9410, Washington, D.C. 20260-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

USDA is an equal opportunity provider, employer, and lender.

1. Official moisture calibration changes effective May 1, 2026

This list only includes those changes that affect moisture results.

- **DICKEY-john GAC2500-UGMA**

- No changes

- **Perten AM5200-A**

- No changes

2. Effects of GAC2500-UGMA Calibration Changes (New minus Old)

- No changes

3. Effects of AM5200-A Calibration Changes (New minus Old)

- No changes
