

SEED SAMPLE INFORMATION REQUIRED FOR TESTING

The information on this sheet is required for us to properly log in and test submitted seed samples; this checklist should accompany each seed sample or group of samples every time you send them in for testing.

SAMPLE SIZE: It is always best to include a little extra seed; IF we do not receive enough seed for the tests requested, ISTA Rules require the following short weight statement be included on the certificate:

“The sample submitted weighed only ____ g and is not in accordance with the International Rules for Seed Testing.”

OR – you can submit a new sample of the correct weight per ISTA Rules.

1) name and Address of Applicant to appear on certificate:

2) Name and Address of Company to Be BILLED with email address of authorized contact person:

3) Tests Requested – UNTREATED samples must be sent for GMO

Purity	Germination	Noxious-weed seed/Other Seed Determination	GMO (Not ISTA accredited)
Other:			

4) Type of Certificate Requested:

Seed Analysis Certificate (White)	ISTA Blue Certificate	ISTA Orange Certificate
-----------------------------------	-----------------------	-------------------------

5) Destination/Country of Export (if applicable):

6) Return Certificates By: FedEx UPS Other:

Courier Account No.:

If instructions and/or Courier Account No. are not provided, certificates will be mailed by Regular U.S. mail.
